RELIABILITY

We understand just what it takes to be a farmer. Farmers need products they can trust. Quality products, that get the job done, with in-built durability to do just that season after season. New Holland tractors can be trusted by farmers and relied upon to offer effortless performance that matches your work.

VALUE, SERVICE AND SOLUTIONS

There is a certain way of thinking that comes from living on a farm. Farming takes equal parts brain and brawn. Not to mention thick skin, calloused hands, and a fair share of know how. Seasoned farmers know it helps to have equipment that's built by farmers, sold by farmers and used by farmers.

Support at every step.

When you place your confidence in New Holland agricultural equipment, you get the finest in local support. Your New Holland dealer understands the many challenges you face and stands behind you at every step with the equipment, parts, service, and financial solutions to make your job easier. Look to New Holland for a complete selection of equipment, including a full line of tractors, hay & forage equipment, harvesting, crop production and material handling equipment.

Quality parts and service.

Turn to your New Holland dealer after the sale for expert, factory-trained service, and genuine New Holland-branded parts. Your dealer has the very latest service updates and training to ensure your equipment keeps working productively season after season.

Financing solutions.

Your New Holland dealer can tell you about smart ways to turn your financial challenges into opportunities with a portfolio of innovative financial services. For reliable equipment, parts, and service — or just honest advice on farming and finance — turn to New Holland. We know. We are farmers, too.
